

JOIN US JUNE 5TH AS WE SET SAIL ON OUR 2019 LST SEASON
PRESENTING OUR PAST IS POSSIBLE WITH YOUR PRESENT!

LST is looking forward to a busy summer. Once again, we have online availability of tickets with NMU EZ tickets which includes online sales, phone sales, and in person sales at outlets and at LST the night of the show (all reserved seating). Season tickets and single show tickets go on sale in May so get your tickets for this fabulous season and enjoy our million-dollar lobby view!
If you book on line there are no fees for E-tickets!

It seems the spring is never long enough to accomplish the multitude of tasks involved in bringing you exceptional LST productions. The transition of the Boat House is a challenge and without the Breakfast Rotary Crew it would not happen! We were thrilled to get the Michigan Council for Arts and Cultural Affairs grant but as usual we need to match each dollar! The monies that you contribute are used exclusively for the theatre productions and come at a time when our cash flow needs increase and our work goes into high gear as we prepare for a spectacular season including a bold new production of *Fiddler on the Roof*, *Magical Marquette Artists*, *Into the Woods, Jr.*, *Dixie Swim Club*, and *Miscast Musical*! We are so grateful to these talented directors, cast, and crew who are spending our all too short summer at LST.

Every year families tell us how much they enjoy attending LST walking the bike path to the theatre on a beautiful summer evening. Others suggest that coming out of a performance and looking out on majestic Lake Superior makes us realize how lucky we are to live here. Some marvel at how they can leave the opera glasses at home and enjoy amazing live theatre in easy, intimate comfort, almost feeling like an actor on stage! Often I am asked how we can bring so many fascinating performances to the boat house each season at a cost that encourages families to attend – and talk about their unique heritage. We can do so because of your donations and support. Thank you for helping us to provide outstanding live theatre and making Marquette a desirable place to live, work, and play. We are especially grateful this year as we celebrate year 21 for your support as we once again seek to inspire, educate, entertain, and enlighten you.
