

The mission of Lake Superior Theater Inc. is to provide our community the opportunity to experience live performances. Our current emphasis is historical musical dramas.

We depend on the generous donations of time and money made by people in our community. In an effort to keep our ticket prices affordable, we have created categories of giving to express our gratitude to those who make donations.

We invite you to join in our vision by making a contribution at any level. All donations are tax deductible, as we are a non-profit organization. Programs will include the names and levels of giving of all contributors unless they ask to be anonymous.
